

June Swim Team Update

Coaches:

Breanna Hummitsch

Kimberly Kuni: Hello my Name is Kim Kuni. I swam at Canyons Aquatic club from 2009-2013 . I received a division 1 swimming scholarship from the university of northern Colorado (2013-2017) . I graduated with a psychology degree. Once I moved back to California I decided to spread my knowledge of swimming to younger kids in communities. My main focus was children with mental health issues. My goal daily is to introduce the love for outdoor and water sports to the kids.

Abby Peretz: Hi! I'm Abby and, although this is my first year coaching for the Waves, I've been swimming for this team since I was 4. I will be attending the University of Minnesota in the fall to double major in child psychology and social work. I love working with kids and am so excited to help unite the team, especially after the difficulties of the past year and a half. I look forward to a summer of fun times and lots of growth! Can't wait to cheer on all our amazing swimmers and maintain the spirit needed to help our team thrive!
